

COMMISSION ON DENTAL ACCREDITATION

VI. COMPLAINTS

A. DEFINITION

A complaint is defined by the Commission on Dental Accreditation as one alleging that a Commission-accredited educational program, a program which has an application for initial accreditation pending, or the Commission may not be in substantial compliance with Commission standards or required accreditation procedures.

B. PROGRAM REQUIREMENTS AND PROCEDURES

NOTICE OF OPPORTUNITY TO FILE COMPLAINTS: In accord with the U.S. Department of Education's Criteria and Procedures for Recognition of Accrediting Agencies, the Commission requires accredited programs to notify students of an opportunity to file complaints with the Commission.

Each program accredited by the Commission on Dental Accreditation must develop and implement a procedure to inform students of the mailing address and telephone number of the Commission on Dental Accreditation. The notice, to be distributed at regular intervals, but at least annually, must include but is not necessarily limited to the following language:

The Commission on Dental Accreditation will review complaints that relate to a program's compliance with the accreditation standards. The Commission is interested in the sustained quality and continued improvement of dental and dental-related education programs but does not intervene on behalf of individuals or act as a court of appeal for treatment received by patients or individuals in matters of admission, appointment, promotion or dismissal of faculty, staff or students.

A copy of the appropriate accreditation standards and/or the Commission's policy and procedure for submission of complaints may be obtained by contacting the Commission at 211 East Chicago Avenue, Chicago, IL 60611-2678 or by calling 1-312-440-4653.

The accredited program must retain in its files information to document compliance with this policy so that it is available for review during the Commission's on-site reviews of the program.

REQUIRED RECORD OF COMPLAINTS: The program must maintain a record of student complaints received since the Commission's last comprehensive review of the program.

At the time of a program's regularly scheduled on-site evaluation, visiting committees evaluate the program's compliance with the Commission's policy on the Required Record of Complaints. The team reviews the areas identified in the program's record of complaints during the site visit and includes findings in the draft site visit report and note at the final conference.

C. COMMISSION LOG OF COMPLAINTS

A log is maintained of all complaints received by the Commission. A central log related to each complaint is maintained in an electronic data base. Detailed notes of each complaint and its disposition are also maintained in individual program files.

D. POLICY AND PROCEDURE REGARDING INVESTIGATION OF COMPLAINTS AGAINST EDUCATIONAL PROGRAMS

The following policy and procedures have been developed to handle the investigation of "formal" complaints and "anonymous" comments/complaints about an accredited program, or a program which has a current application for initial accreditation pending, which may not be in substantial compliance with Commission standards or established

accreditation policies.

The Commission will consider formal, written, signed complaints using the procedure noted in the section entitled “Formal Complaints.” Unsigned comments/complaints will be considered “anonymous comments/complaints” and addressed as set forth in the section entitled “Anonymous Comments/Complaints.” Oral comments/complaints will not be considered.

Formal Complaints

A “formal” complaint is defined as a complaint filed in written (or electronic) form and signed by the complainant. This complaint should outline the specific policy, procedure or standard in question and rationale for the complaint including specific documentation or examples. Complainants who submit complaints verbally will receive direction to submit a formal complaint to the Commission in written, signed form following guidelines in the EOPP manual.

1. Investigative Procedures for Formal Complaints: Students, faculty, constituent dental societies, state boards of dentistry, patients, and other interested parties may submit an appropriate, signed, formal complaint to the Commission on Dental Accreditation regarding any Commission accredited dental, allied dental or advanced dental education program, or a program that has an application for initial accreditation pending. An appropriate complaint is one that directly addresses a program’s compliance with the Commission’s standards, policies and procedures. The Commission is interested in the continued improvement and sustained quality of dental and dental-related education programs but does not intervene on behalf of individuals or act as a court of appeal for treatment received by patients or individuals in matters of admission, appointment, promotion or dismissal of faculty, staff or students.

In accord with its responsibilities to determine compliance with accreditation standards, policies, and procedures, the Commission does not intervene in complaints as a mediator but maintains, at all times, an investigative role. This investigative approach to complaints does not require that the complainant be identified to the program.

The Commission, upon request, will take every reasonable precaution to prevent the identity of the complainant from being revealed to the program; however, the Commission cannot guarantee the confidentiality of the complainant.

The Commission strongly encourages attempts at informal or formal resolution through the program's or sponsoring institution's internal processes prior to initiating a formal complaint with the Commission. The following procedures have been established to manage complaints:

When an inquiry about filing a complaint is received by the Commission office, the inquirer is provided a copy of the Commission’s Evaluation and Operational Policies and Procedures Manual which includes the policies and procedures for filing a complaint and the appropriate accreditation standards document.

The initial screening is usually completed within thirty (30) days and is intended to ascertain that the potential complaint relates to a required accreditation policy or procedure (i.e. one contained in the Commission’s Evaluation and Operational Policies and Procedure Manual) or to one or more accreditation standard(s) or portion of a standard which have been or can be specifically identified by the complainant.

Written correspondence clearly outlines the options available to the individual. It is noted that the burden rests on the complainant to keep his/her identity confidential. If the complainant does not wish to reveal his/her identity to the accredited program, he/she must develop the complaint in such a manner as to prevent the identity from being evident. The complaint must be based on the accreditation standards or required accreditation procedures. Submission of documentation which supports the noncompliance is strongly encouraged.

When a complainant submits a written, signed statement describing the program’s noncompliance with specifically identified policy(ies), procedure(s) or standard(s), along with the appropriate documentation, the following procedure is followed:

1. The materials submitted are entered in the Commission’s database and the program’s file and reviewed by Commission staff. At this point, the complaint is the property of the Commission and may not be withdrawn by the complainant for the purposes of the Commission’s review.
2. Legal counsel, the Chair of the appropriate Review Committee, and the applicable Review Committee members

- may be consulted to assist in determining whether there is sufficient information to proceed.
3. If the complaint provides sufficient evidence of probable cause of noncompliance with the standards or required accreditation procedures, the complainant is so advised and the complaint is investigated using the procedures in the following section, formal complaints.
 4. If the complaint does not provide sufficient evidence of probable cause of noncompliance with the standard(s) or required accreditation policy(ies), or procedure(s), the complainant is so advised. The complainant may elect:
 - a. to revise and submit sufficient information to pursue a formal complaint; or
 - b. not to pursue the complaint. In that event, the decision will be so noted and no further action will be taken.

Initial investigation of a complaint may reveal that the Commission is already aware of the program's noncompliance and is monitoring the program's progress to demonstrate compliance. In this case, the complainant is notified that the Commission is currently addressing the noncompliance issues noted in the complaint. The complainant is informed of the program's accreditation status and how long the program has been given to demonstrate compliance with the accreditation standards.

2. Formal Complaints: Formal complaints (as defined above) are investigated as follows:

1. The complainant is informed in writing of the anticipated review schedule.
2. The Commission informs the chief administrative officer (CAO) of the institution sponsoring the accredited program that the Commission has received information indicating that the program's compliance with specific required accreditation policy(ies), procedure(s) or designated standard(s) has been questioned.
3. Program officials are asked to report on the program's compliance with the required policy(ies), procedure(s) or standard(s) in question by a specific date, usually within thirty (30) days.
 - a. For standard(s)-related complaints, the Commission uses the questions contained in the appropriate sections of the self-study to provide guidance on the compliance issues to be addressed in the report and on any documentation required to demonstrate compliance. Additional guidance on how to best demonstrate compliance may also be provided to the program.
 - b. For policy(ies) or procedure(s)-related complaints, the Commission provides the program with the appropriate policy or procedural statement from the Commission's Evaluation and Operational Policies and Procedures Manual. Additional guidance on how to best demonstrate compliance will be provided to the program. The Chair of the appropriate Review Committee and/or legal counsel may assist in developing this guidance.
4. Receipt of the program's written compliance report, including documentation, is acknowledged.
5. The appropriate Review Committee and the Commission will investigate the issue(s) raised in the complaint and review the program's written compliance report at the next regularly scheduled meeting. In the event that waiting until the next meeting would preclude a timely review, the appropriate Review Committee(s) will review the compliance report in a telephone conference call(s). The action recommended by the Review Committee(s) will be forwarded to the Commission for mail ballot approval in this later case.
6. The Commission may act on the compliance question(s) raised by the complaint by:
 - a. determining that the program continues to comply with the policy(ies), procedure(s) or standard(s) in question and that no further action is required.
 - b. determining that the program may not continue to comply with the policy(ies), procedure(s) or standard(s) in question and going on to determine whether the corrective action the program would take to come into full compliance could be documented and reported to the Commission in writing or would require an on-site review.
 - i. If by written report: The Commission will describe the scope and nature of the problem and set a compliance deadline and submission date for the report and documentation of corrective action taken by the program.
 - ii. If by on-site review: The Commission will describe the scope and nature of the problem and determine, based on the number and seriousness of the identified problem(s), whether the matter can be reviewed at the next regularly scheduled on-site review or whether a special on-site review will be conducted. If a special on-site review is required, the visit will be scheduled and conducted in accord with the Commission's usual procedures for such site visits.
 - c. determining that a program does not comply with the policy(ies), procedure(s) or standards(s) in question and:

- i. changing a fully-operational program’s accreditation status to “approval with reporting requirements”
 - ii. going on to determine whether the corrective action the program would take to come into full compliance could be documented and reported to the Commission in writing or would require an on-site review.
 - If by written report: The Commission will describe the scope and nature of the problem and set a compliance deadline and submission date for the report and documentation of corrective action taken by the program.
 - If by on-site review: The Commission will describe the scope and nature of the problem and determine, based on the number and seriousness of the identified problem(s), whether the matter can be reviewed at the next regularly scheduled on-site review or whether a special on-site review will be conducted. If a special on-site review is required, the visit will be scheduled and conducted in accord with the Commission's usual procedures for such site visits.
7. Within two weeks of its action on the results of its investigation, the Commission will also:
- a. notify the program of the results of the investigation.
 - b. notify the complainant of the results of the investigation.
 - c. record the action.
8. The compliance of programs applying for initial accreditation is assessed through a combination of written reports and on-site reviews.
- a. When the Commission receives a complaint regarding a program which has an application for initial accreditation pending, the Commission will satisfy itself about all issues of compliance addressed in the complaint as part of its process of reviewing the applicant program for initial accreditation.
 - b. Complainants will be informed that the Commission does provide developing programs with a reasonable amount of time to come into full compliance with standards that are based on a certain amount of operational experience.
- Revised: 8/17; 1/98; Reaffirmed: 8/21; 8/15; 8/10, 7/09, 7/04; Adopted: 7/96

Anonymous Comments/Complaints

An “anonymous comment/complaint” is defined as an unsigned comment/complaint submitted to the Commission. Any submitted information that identifies the complainant renders this submission a formal complaint and will be reviewed as such (e.g. inclusion of a complainant’s name within an email or submitted documentation).

All anonymous complaints will be reviewed by Commission staff to determine linkage to Accreditation Standards or CODA policy and procedures. If linkage to Accreditation Standards or CODA policy is identified, legal counsel, the Chair of the appropriate Review Committee, and the applicable Review Committee members may be consulted to assist in determining whether there is sufficient evidence of probable cause of noncompliance with the standard(s) or required accreditation policy(ies), or procedure(s) to proceed with an investigation. The initial screening is usually completed within thirty (30) days. If further investigation is warranted, the anonymous complaint will be handled as a formal complaint (See Formal Complaints); however, due to the anonymous nature of the submission, the Commission will not correspond with the complainant.

Anonymous comments/complaints determined to be unrelated to an Accreditation Standard or CODA policies and procedures will not be considered. Anonymous comments/complaints that do not provide sufficient evidence of probable cause of noncompliance with the standard(s) or required accreditation policy(ies), or procedure(s) to proceed, will not be considered.
