CONSIDERATION OF PROPOSED REVISION TO EXAMPLES OF EVIDENCE FOR STANDARD 1 OF THE ACCREDITATION STANDARDS FOR ADVANCED DENTAL EDUCATION PROGRAMS

Background: At its January 31, 2025 meeting, through consideration of the Report of the Review Committee on Postdoctoral General Dentistry Education (PGD RC), the Commission on Dental Accreditation (CODA) learned that the list of accreditation organizations recognized by the Centers for Medicare and Medicaid Services (CMS) included in the Examples of Evidence of Standard 1 within the Accreditation Standards for all advanced dental education programs has changed (**Appendix 1**). Changes include the addition of one (1) organization, removal of organizations, and changes in the acronyms listed for some organizations. In addition, the Commission learned that the PGD RC discussed whether all organizations included in the current CMS-recognized list of accreditation organizations should be accepted for CODA-accredited dental education programs. The PGD RC believed the decision to include these CMS-recognized organizations in CODA's Standards for advanced dental education programs was outside the purview of the PGD RC.

Following discussion, the Commission on Dental Accreditation directed each advanced dental education Review Committee to examine the proposed revisions to Examples of Evidence in Standard 1 of the Accreditation Standards for all advanced dental education disciplines under the Commission's purview related to sponsoring institution and authority (**Appendix 1**), with a report to the commission at the August 2025 meeting.

Summary: The Review Committee on Oral Medicine Education (OM RC) and the Commission on Dental Accreditation are requested to examine the proposed revisions to Examples of Evidence in Standard 1 of the Accreditation Standards for all advanced dental education disciplines under the Commission's purview, related to sponsoring institution and authority, found in **Appendix 1**, with a report to the Commission at the August 2025 meeting.
