### **CONSIDERATION OF MATTERS RELATED TO PROSTHODONTICS EDUCATION**

**Informational Report on Prosthodontics Programs Annual Survey Curriculum Data (p. 1400)**: At its Winter 2015 meeting, the Commission directed that all Review Committees consider the informational report on aggregate data from the Curriculum Section of the Annual Survey in years when this data is available. At this meeting, the Prosthodontics RC reviewed the informational report on aggregate data from the Curriculum Section for the prosthodontics programs conducted in August 2022.

**Recommendation**: This report is informational in nature and no action is required.

### **CONSIDERATION OF MATTERS RELATING TO MORE THAN ONE REVIEW COMMITTEE**

Matters related to more than one review committee are included in a separate report.

### **CONSIDERATION OF SITE VISITOR APPOINTMENTS TO THE COMMISSION ON DENTAL ACCREDITATION IN THE AREA OF PROSTHODONTICS EDUCATION**

The Review Committee on Prosthodontics Education (PROS RC) considered site visitor appointments for 2023-2024. The Committee's recommendations on the appointments of individuals are included in a separate report.

### **CONSIDERATION OF MATTERS RELATED TO ACCREDITATION STATUS**

Matters related to accreditation status of programs are included in a separate report.

Respectfully submitted,

Dr. Evanthia Anadioti  
Chair, Review Committee on Prosthodontics Education
