CONSIDERATION OF MATTERS RELATED TO PERIODONTICS EDUCATION

Informational Report on Frequency of Citings of Accreditation Standards for Advanced Dental Education Programs in Periodontics (p. 1300): The Review Committee on Periodontics Education (PERIO RC) considered the annual report on the frequency of citings of the Accreditation Standards for Advanced Dental Education Programs in Periodontics implemented January 1, 2014. The PERIO RC noted there were 19 citings total for the 60 site visits conducted from January 1, 2014 through October 31, 2021. Seven (7) citings occurred under Standard 4-11b, related to clinical training to the level of competency in adult minimal enteral and moderate parenteral sedation as prescribed by the Accreditation Standards using the *ADA Guidelines for Teaching Pain Control and Sedation to Dentists and Dental Students*. Three (3) citings occurred under Standard 4-10.2 d with regard to provisionalization of dental implants. Two (2) citings occurred under Standard 4-13.1, which states that the use of private office facilities not affiliated with a university as a means of providing clinical experiences is not approved. The remaining citings occurred in the area of Standard 5, Evaluation.

Recommendation: This report is informational in nature and no action is required.
