

REPORT ON ORAL AND MAXILLOFACIAL SURGERY PROGRAMS (RESIDENCY AND FELLOWSHIP) ANNUAL SURVEY CURRICULUM SECTIONS

Background: At its Winter 2015 meeting, the Commission directed that each Review Committee review a draft of its discipline-specific Annual Survey Curriculum Section during the Winter meeting in the year the Survey will be distributed. The Commission further directed that each Review Committee review aggregate data of its discipline-specific Annual Survey Curriculum Section, as an informational report, when the materials are available following data collection and analysis. The Commission noted that all survey data is considered confidential at the programmatic level.

The Curriculum Section of the Commission's Annual Survey is conducted for both oral and maxillofacial surgery residency programs and clinical fellowship training programs in oral and maxillofacial surgery annually. The most recent Curriculum Section was conducted in August/September 2021. The next Curriculum Section will be conducted in August/September 2022. The draft Curriculum Sections are provided in **Appendix 1** and **Appendix 2** for review by the Review Committee on Oral and Maxillofacial Surgery Education.

Summary: The Review Committee on Oral and Maxillofacial Surgery Education is requested to review the draft Curriculum Sections of its discipline-specific Annual Surveys (**Appendix 1** and **Appendix 2**).

Recommendation:

Annual Survey Curriculum Section for Oral and Maxillofacial Surgery Residency Programs

Part II - Oral and Maxillofacial Surgery Curriculum Section

Part II of the survey is confidential. Any reports from this section will not identify individual programs by name.

21. Do residents from this program rotate to another educational site that has its own accredited oral and maxillofacial surgery program?

Yes (Specify institution)

No

Please note that submission of a supplemental report to CODA is not required for this annual survey, unless specifically requested by the Commission.

22. For the most recently completed academic year (July 1, 2020 to June 30, 2021), please provide the number of procedures performed by residents as the operating surgeon or first assistant to an oral and maxillofacial surgery attending staff member in each of the following major oral and maxillofacial surgery categories.

If none or not applicable, enter 0. Note that open treatment of bilateral mandibular fractures may be counted as separate procedures. Bilateral mandibular osteotomies may be counted as separate procedures. A resident must serve as operating surgeon or first assistant to an oral and maxillofacial surgery attending staff member, not as first assistant to another resident.

Number of procedures

a. Trauma (must agree with Q23 total)

b. Pathology (must agree with Q24 total)

c. Orthognathic and Craniofacial (must agree with Q25 total)

d. Reconstructive / Cosmetic (must agree with Q26 total)

e. Other, please describe
